Dear Potential Advertiser,

Also please consider NYARM's magazine which is a uniquely effective vehicle to carry your message. Building Managers frequently use our magazine for reference purposes and keep the magazine close by, which means that your telephone number is right at their fingertips!

Our advertising rates are very competitive with other industry publications and I personally supervise the distribution, which has grown to 5000 copies which is primarily distributed to Building Managers, Managing Agents, Superintendents or Resident Managers as well as Board Members and professional owners. Please call me at 212-216-0654 for all the details.
